# THE STORY

This year, Naruto and Sasuke have been chosen for the survival challenge held annually at the Village Hidden in the Leaves. Naruto and Sasuke will have to challenge seven stages, all divided into different themes, and try and get to the exit where the Lord Hokage awaits. At each stage, village ninja will do whatever it takes to hinder their path. Can Naruto and Sasuke overcome this test and conquer the survival challenge?

- 1. Turn OFF the Power Switch on your Nintendo® Game Boy® Advance. Never insert or remove a Game Pak when the power is on.**

- 3. Turn ON the Power switch. The Title Screen will appear (if you don't see it, begin again at step 1).**

**WARNING:** Rapidly switching the Power Switch ON and OFF may cause a battery-backed Game Pak to lose your stored information.

### NINJA TOOLS

The player character starts the game with Shuriken. The ninja tools that can be used change as you pick up new items along the way.

Shuriken

Kunai

Senbon

The most basic tool. Shuriken can be thrown straight forward and damage enemies if they are hit.

Here are some other major characters that appear in the game. Please note that there are still more characters other than the ones introduced here.

### EBISU SENSEI

An elite tutor who guards and protects Konohamaru. He should be an easy victory if you succeed in exposing his weakness.

### KONOHAMARU

Konohamaru, the grandson of The Third Hokage, will team up with his tutor Ebisu sensei and challenge you to a fight.

### SHIKAMARU

A lazy ninja who is rarely motivated to do anything, but gets high praise for his strategy-making abilities and composed sense of judgment.

## CHOJI

Choji snaps every time someone calls him "fat" and would rather be referred to as "chubby". Cannot fight to his potential when hungry.

## KIBA

A Genin of the Hidden Leaf Village with a wild personality, wild style, and wild Ninjutsu. Kiba loves his dog Akamaru like a brother.

## INO

Childhood friends with Sakura but they also compete for the same man. An intellectual type who often comes off as bratty and selfish.

## SHINO

## ROCK LEE

With absolutely no Ninjutsu or Genjutsu abilities, Rock Lee is a dedicated warrior who has polished up his Taijutsu through endless hard work.

## HAKU

His face hidden behind a mask, this mystery ninja follows orders from Zabuza and uses deadly Ninjutsu to get in Naruto and his friends' way.

## NEJI

A gifted top-ranking Genin who possesses Kekkei Genkai Byakugan, of the Hyuga Clan, a prominent family of the Village Hidden in the Leaves.

## ZABUZA

An expert assassin that skillfully handles the massive Guillotine Sword and an array of Jutsu. Also known as the Demon Hidden in the Mist.

# STAGES

## STAGE 1

The seaside bridge in stage 1 is surrounded by water, where you lose a life if you fall in. The first boss is Konohamaru along with Ebisu sensei and the final boss is Ino.

The first stage begins on a big bridge, a good place to master ninja tools.

First big opponent is Konohamaru, but the real battle will be against Ebisu sensei.

## STAGE 2

From this stage onwards, you will start to see walls of rock that you cannot get past without using Lightning Style Jutsu.

In this stage, make your way through rocky trails over mountains and valleys. You can break up rocks with Lightning Style Jutsu. Fall off the cliff and you lose a life.

### SEASIDE BRIDGE

### MOUNTAIN TRAIL

## STAGE

You can open up a new route through tunnels by digging holes in the ground.

Although it initially appears to be a simple, grassy plain, there are tunnels underground that you need to get through to advance. Figure out how to get inside.

## GRASSY PLAIN

## STAGE

An intricate maze of paths and trails. Follow the arrows to advance.

Battle flying leeches and snakes and overcome countless traps that are set up on the ground. Dead trees will hinder your path as well.

## LEAF VILLAGE FOREST

## STAGE

Work your way through the maze-like building, with paths often obstructed by fire.

In this stage, you will make your way through a Village Hidden in the Leaves house. An unknown assailant has set fire to the house, blocking your path at every corner. Use rooftops and hallways to get through.

### VILLAGE HIDDEN IN THE LEAVES

## STAGE

The battleground shifts to a familiar classroom. How do you jump over to the other side?

There are height differences all over the Ninja Academy, preventing you from getting to the other side with a regular jump. Master high jumps and capture the intruding ninja.

### NINJA ACADEMY

There are still many more stages that were not introduced here.  
New visual modes will be added as you complete the stages.

Is there a secret hidden behind the shadows of  
the survival challenge?

**THE GAME HAS ONLY BEGUN!**
